THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration".

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

GOVERNMENT PRINTING OFFICE
WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration".

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

NOTICE is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright if requested by such claimant prior to December 31, 1941.

WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

GOVERNMENT PRINTING OFFICE
WASHINGTON: 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

GOVERNMENT PRINTING OFFICE
WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

"©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list, and a list of motion pictures of which the subsisting copyright has been renewed, will be found immediately following the motion picture list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list, and a list of motion pictures of which the subsisting copyright has been renewed, will be found immediately following the motion picture list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

WASHINGTON : 1941

THE Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class "D", Dramatic compositions and Dramatico-musical compositions, arranged alphabetically by title; Class "L", Motion-picture photoplays, and Class "M", Motion pictures other than photoplays, arranged alphabetically by title.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "D", Class D, Dramatic compositions; "L", Class L, Motion-picture photoplays; and "M", Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in this issue immediately following the drama list, and a list of motion pictures of which the subsisting copyright has been renewed, will be found immediately following the motion picture list.

The annual index contains the titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1941, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

New Series, Volume 14
VOLUME INDEX FOR THE YEAR 1941

Published by Authority of the Acts
of Congress of March 3, 1891,
of June 30, 1906, and of
March 4, 1909

The Catalog of Copyright Entries is published in four parts. Part 1, Group 3, issued monthly, contains titles of Dramatic compositions and Motion pictures. Group 3 contains, in two separate alphabets, the titles of the entries made in Class “D”, Dramatic compositions, and Dramatico-musical compositions, arranged alphabetically by title; Class “L”, Motion-picture photoplays, and Class “M”, Motion pictures other than photoplays, arranged alphabetically by title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalog, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: “D”, Class D, Dramatic compositions; “L”, Class L, Motion-picture photoplays; and “M”, Class M, Motion pictures other than photoplays. “©” implies copyright registration of a published work followed by date of publication; “© 1 c.” stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy.

A list of dramatic compositions of which the subsisting copyright has been renewed under section 23 of the act of March 4, 1909, will be found in each monthly issue.

The annual index contains titles of dramatic compositions, and the titles of all motion pictures.

The act of March 4, 1909, in effect from July 1, 1909, provides that the catalog of Copyright Entries “shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration”.

The annual subscription price for the Catalog of Copyright Entries (received only for the calendar year) for Part 1, Group 3, is $2.00 for 1940, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

Under the provisions of the act of Congress, approved May 23, 1928, the prices of the various parts of the Catalog are now as follows:

NOTICE

The Copyright Act of 1909 provides that, of the articles deposited for copyright registration, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress and what other books or articles shall be transferred to other governmental libraries in the District of Columbia for use therein.

The Act further provides that any article undisposed of as above and still remaining on the shelves of the Copyright Office may be returned to the claimant of copyright, unless reserved, under the provisions of section 60 of the Act.

Notice is, therefore, hereby given to any author, copyright proprietor, or other lawful claimant, that, insofar as any copyright articles deposited from January 1, 1929, to December 31, 1935, inclusive, are still remaining in the files of the Copyright Office, and are not to be transferred to the Library of Congress or to any other governmental library in the District of Columbia, such books or articles, unless reserved, may be returned to the claimant of copyright, if requested by such claimant prior to December 31, 1942.

This notice includes any printed and published copyright deposits, such as books, periodicals, dramatic compositions, musical compositions, engravings, cuts or prints, lithographs, photo-engravings, or photographs. Manuscripts or typewritten dramas and photographs filed for identifying works of art may not be returned. No maps are available for return.
